Executive for Administration and Management

29 April 1948

Assistant Director for Operations

Completion of Reseda Project

1. Monitoring operations were begun at the new FBIB Reseda Station on 25 April 1948. The station will be in full operation, and the Portland station will be completely deactivated, by 15 May 1948. Although minor work still remains to be completed at Reseda, the project is regarded as essentially accomplished.

2. This office desires to express appreciation to the administrative branches for their vigorous and hearty cooperation in carrying this project to successful completion.
